

Mindomo

After selecting “Mindomo” from the “Launchpad Learning” portal you can then select different formats by selecting:

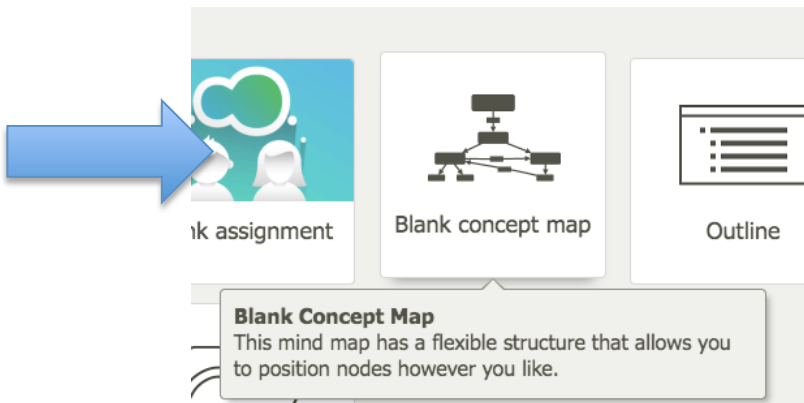

Create

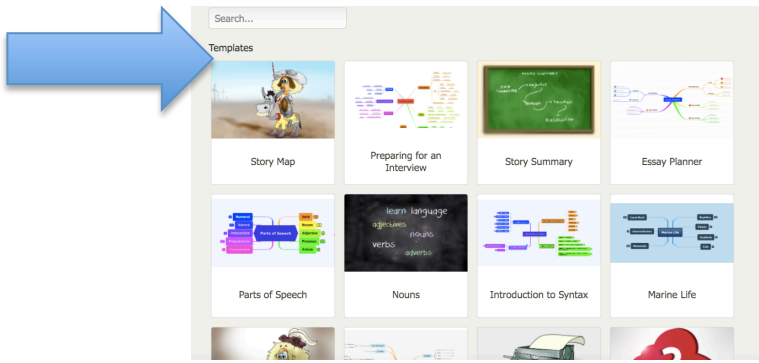

Select from a variety of mind maps, search for previously created mind maps

Example:

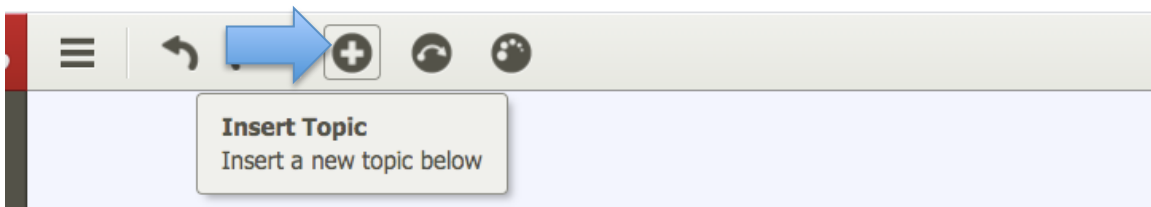

Or you can select from a variety of “templates”

For example: Select “Blank mind map” and new mind map will appear

Select the “plus” sign in the upper left hand side of the tool bar to insert “Topic”

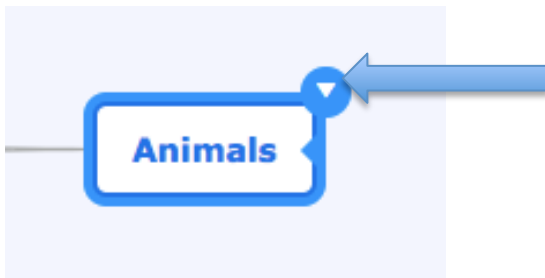

Type in your title in the highlighted symbol

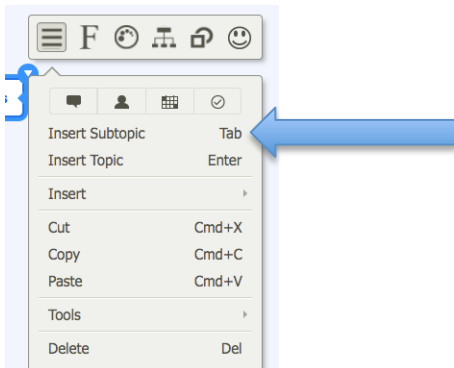

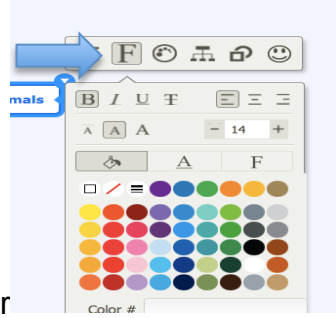

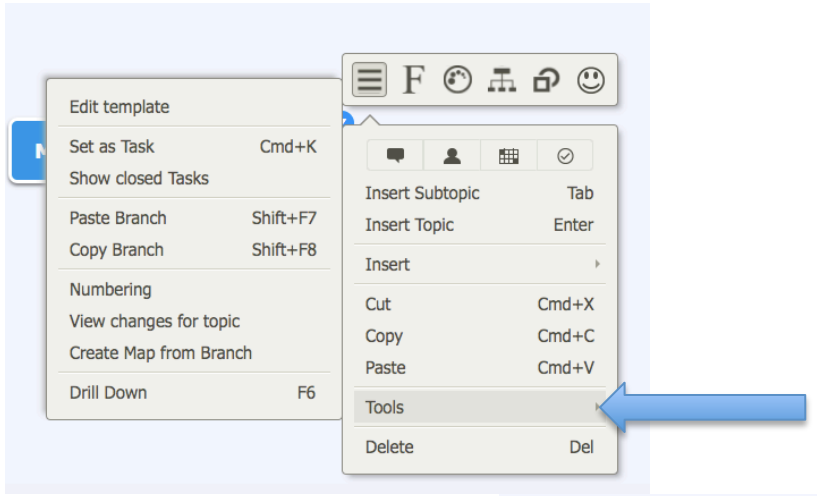

Select the dropdown arrow in the “Topic” symbol to:

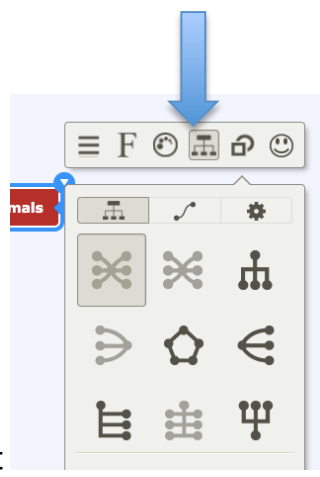

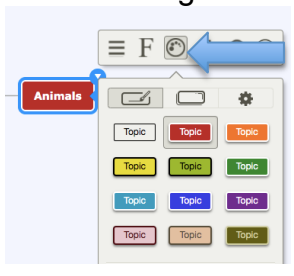

- Insert Subtopic/Topic, Tools

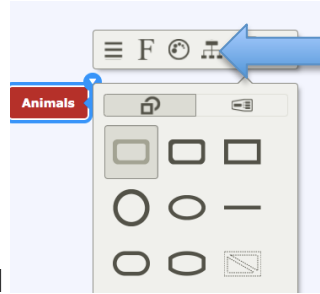

- Change font size and colour

- Change the background colours within the symbols

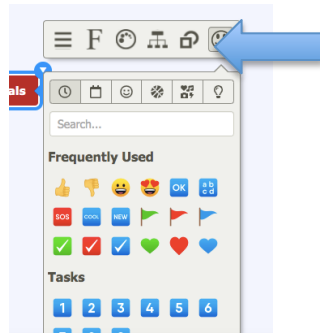

- Change the layout

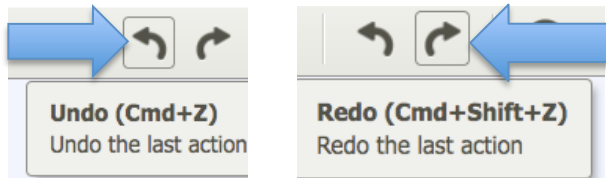

- Change the shape of the symbol

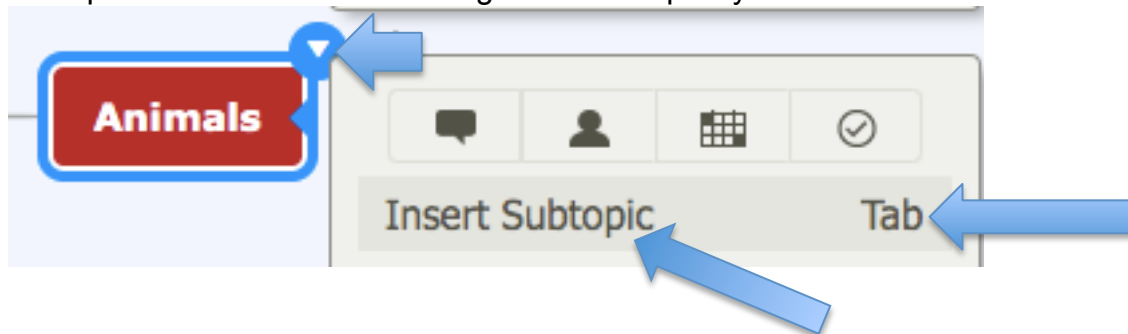

- Add Emojis:

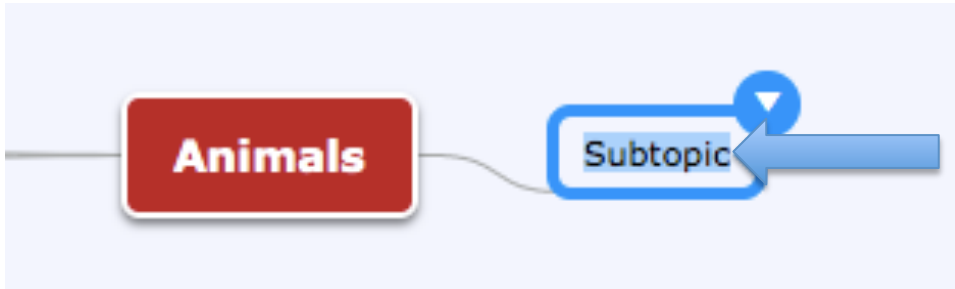

To undo or redo mistakes simply select the left or right arrow in the toolbar:

To insert a subtopic to your topic select the arrow in your main topic and select subtopic or the "Tab" bar and drag from the Topic symbol

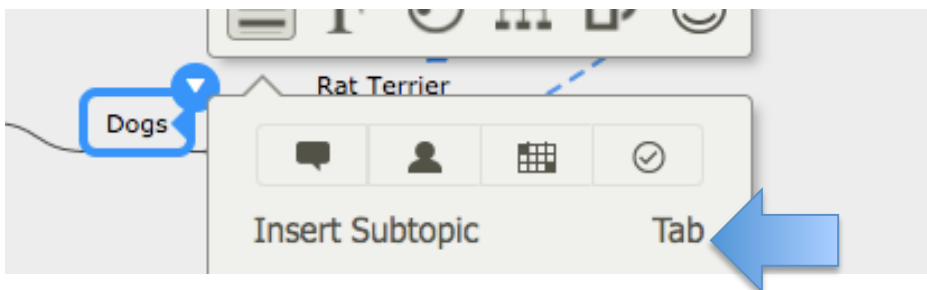

Write or record your "Subtopic"

Insert another "Subtopic" from the first "Subtopic"

Created by DCDSB Assistive Technologist/Assistive Technology Specialists: Jennifer Baal, Donna Conn, Maureen Cope, Kristi Norris
