Subject: Special Education Grant Changes for 2022-23

This memorandum highlights key funding changes to the Special Education Grant (SEG) for the 2022-23 school year, provides technical details regarding the Differentiated Special Education Needs Amount (DSENA) Table amounts for the 2022-23, 2021-22 and 2020-21 school years and provides an update on the approval process for Education Programs in Education and Community Partnership Program (ECP) for the 2022-23 school year.

As the senior education leaders in the province, I would like to take the opportunity to thank you for your unwavering dedication to the success of students with special education needs. I would also like to express my appreciation to Ontario's teachers, education workers, school and school board administrators and trustees for their leadership, flexibility and innovation, working hard to ensure continued learning for students with special education needs as we continue to navigate challenges due to COVID-19.

NOTICE:

Some of the elements and proposals set out in this memo can only take effect if certain regulations are made by the Minister of Education or Lieutenant Governor in Council under the [Education Act](#). Such regulations have not yet been made at the time this memo was published. Therefore, the content of this memo should be considered subject to such regulations, if and when made.

SPECIAL EDUCATION GRANT FUNDING CHANGES FOR 2022-23

1. Introducing a new \$16.3¹ million Local Special Education Priorities Amount within the Special Education Grant's (SEG) Differentiated Special Education Needs Amount (DSENA).

Starting in the 2022-23 school year, the Priorities and Partnership Funding's (PPF) \$16.3 million [Special Education Supports](#) amount will become the Local Priorities Amount and be transferred into the Special Education Grant's DSENA. This amount will be allocated to school boards to address local priorities such as:

- additional educational staff and/or professional/paraprofessional staff to support students with special education needs (e.g., special education resource teachers, educational assistants, speech-language pathologists, occupational therapists, and psychologists among others); and
- other local priorities such as evidence-based programs and interventions, as well as transition supports.

2. \$7.4 million funding increase for Assistive Technology into the Special Equipment Amount (SEA) Per-Pupil Amount (PPA)

Starting in 2022-23, the ministry will provide \$7.4 million in additional funding via the SEA PPA. This additional investment will help boards in acquiring and maintaining assistive technologies and related hardware and software for students with special education needs. As a result, SEA PPA base funding is increasing to \$20,000, and the per pupil amount is increasing to \$39.46.

3. \$1.4 million funding increase for the Northern Supports Component within the Special Education Grant's (SEG) Differentiated Special Education Needs Amount (DSENA).

An investment of \$1.4 million is being added to the DSENA Measures of Variability's (MOV) Northern Adjustment through sub-category 7A, the Northern Supports component.

- The amount for the North East cooperative, administered by District School Board Ontario North East, will be increased by \$0.6 million to \$4.1 million.

¹ This amount includes district school boards and isolate board school authorities.

- The amount for the North West cooperative, administered by Thunder Bay Catholic District School Board, will be increased by \$0.3 million to \$2.2 million.
- The amount for the Northern French-language cooperative, administered by the Conseil scolaire public du Grand Nord de l'Ontario, will be increased by \$0.5 million to \$3.6 million.

Funding provided through the Northern Adjustment category of the MOV may only be used for its intended purpose – regionally determined special education priorities that are addressed through joint, innovative and cost-effective special education programs and services that serve northern district school boards and isolate board school authorities.

EDUCATION AND COMMUNITY PARTNERSHIP PROGRAM (ECPP) APPLICATION PROCESS FOR 2022-23

The Ministry of Education is inviting school boards to submit applications to renew existing ECPPs. To support our ongoing commitment to reduce administrative burden the ministry will provide school boards with prepopulated 2022-23 ECPP application forms. School boards with no program changes will only be required to verify information and provide their 2022-23 projected costs. School boards that have ECPP program changes (e.g. new facility partner, expanded Education Programs) will update the application form accordingly. Further information will be made available on the [Education and Community Partnership Program \(ECPP\) website](#).
