

**DURHAM CATHOLIC
DISTRICT SCHOOL BOARD**
Learning and Living in Faith

Tuesday, January 28, 2020

Dear Parents and Guardians,

This letter is to inform you that at the Regular Board Meeting held on January 27, 2020, the Durham Catholic District School Board of Trustees approved the Long-Term Accommodation Plan (LTAP) 2020-2024. The Board also approved the commencement of a Brooklin French Immersion (FI) Study to review the St. Leo Catholic School and St. John Paul II Catholic School FI programs which currently serve students in the Brooklin community.

The study is intended to address projected enrolment decline and viability of the FI programs at each school. Through a series of public meetings, the study will examine existing programs and make recommendations by June 2020 to ensure long-term sustainability of FI programming in Brooklin.

The Durham Catholic District School Board is committed to an open and transparent process that allows for public input through a variety of means. Public meetings have been scheduled on the dates below to present the options under consideration and recommendations for the changes to the programs. Each evening is intended to offer our parents and guardians the opportunity to ask questions and provide input.
