

**DURHAM CATHOLIC
DISTRICT SCHOOL BOARD**
Learning and Living in Faith

STEM CAMP

July 10 -13, 2023

July 17 -20, 2023

July 24 -27, 2023

Durham Catholic District School Board's Coach/ Advocate for Black Students (CABS) program is excited to offer three different STEM camps, partnered with Queen's University, Ontario Tech University and McMaster University. We are committed to community-orientated and accessible learning environments for Black youth to explore different facets of STEM, coding, and engineering design.

DCDSB elementary students currently enrolled in Grades 7 and 8, and secondary students currently enrolled in Grades 9 and 10 are invited to register. Space is limited, so please only registers for one of the following FREE camps being offered.

If you have any questions or require additional information, please contact cabs@dcdsb.ca. [Click here](#)
