DURHAM CATHOLIC DISTRICT SCHOOL BOARD

Catholic Education: Learning and Living in Faith

Please read the following acknowledgment prior to meetings held in the DCDSB Boardroom

Acknowledgement of a Traditional Land/Territory:

We respectfully acknowledge that we, here in the Durham Region, are on the traditional lands of the Mississaugas of Scugog Island.

Opening Prayer and Full Acknowledgement:

We respectfully acknowledge that we, here in the Durham Region, are on the traditional lands of the Mississaugas of Scugog Island. We acknowledge the generations of wise men and women – the story keepers and tellers - who have gone before us. We open our minds and hearts to the presence of Spirit to guide us through these explorations with good minds and good hearts. We receive the teachings of our brothers and sisters who generously share their ways, beliefs and traditions, where we find strong parallels and connections to our own Catholic beliefs and teachings. We humbly remember that originally, we are all of aboriginal roots somewhere on Mother Earth, no matter where our family stories begin, through which we can find common ground. With respect, we explore, learn and celebrate a small sampling of the richness that underpins all Aboriginal spiritual teachings, which ultimately seeks a greater connection to the Creator. We pray for those who we teach, that we may impart this knowledge with dignity, open minds and good hearts. We acknowledge the generations to come, in the hope that we remember that we are only custodians of what they will inherit. We give thanks for our brothers and sisters: four legs, wings, fins and insects – all part of the web of all life. We give thanks for the plants and the water that feed and nourish all of creation. We give thanks for the Sun, the life giver. For all of this, we graciously accept the responsibility of stewardship with gratitude. Amen

Glossary – Ministry Funding

Grants for Student Needs (GSN)

The Ministry provides funding to School Boards based primarily on an enrolment based funding model on a per pupil basis to support the basic operations of a school system (eg – Teachers, Utilities, Consumable Supplies). Special purpose grants are provided to support specific students (eg – Special Education), services (eg - Transportation) or programs (eg – French Language Instruction). Certain funding areas have specific spending criteria (called envelopes) as outlined below.

Education Programs Other (EPO)

The Ministry provides funding through the various divisions (eg – Literacy and Numeracy, Student Success) to support specific targeted initiatives in support of current education priorities. These initiatives can change depending on the Provincial priorities and must be spent in support of the specific initiative. The funds support specified staffing, professional development (eg - teacher release time) and resources and typically require a dedicated report back to the Ministry with respect to expenditure and outcomes.

Ministry Funding Envelopes/Restrictions

Special Education

Funds may only be used for Special Education related expenditures.

Board Administration

Expenditure may not exceed Board Administration funding.

Operating Funds

May be used to support Operating or Capital Expenditures.

Capital Funds

May only be used to support Capital related expenditure.

Balanced Budget

The Operating budget does not require reliance on reserves.

Operating Reserves

Ministry requirement to maintain 1-2% for unexpected events.

Glossary – Academic Program Definitions

Student Achievement

Using the school effectiveness framework educators learn more about instructional strategies, student assessment and effective practice through observation, analysis and collaboration. The framework is also used as a tool to inform School and Board Improvement Plans. The Board has incorporated school effectiveness related funding into its Student Achievement and Professional Development programs and portfolios.

Teaching and Learning

Provides for curriculum related resources and supports for all subject areas including Music/Arts, Literacy, Numeracy, Religion, Sciences/Technology, Indigenous Studies, Health and Physical Education, 21st Century Learning/Innovation and e-Learning.

Student Success

The Student Success portfolio focuses on providing every student in Grades 7-12 with various pathways and opportunities to reach their ultimate potential and goals through such initiatives as Specialist High Skills Majors, Dual Credit, Transitions, Reengagement and Alternative Education programs.

Safe and Accepting Schools

The Ministry and Board believe that a safe, inclusive and accepting school environment is a necessary condition for student well being and achievement. Building a positive and inclusive school climate requires healthy and respectful relationships among and between students, staff, parents and the community.

Faith Formation

The Board budget provides for various faith formation related activities, retreats and celebrations in addition to the purchase of religion textbooks, Many Gifts resources and Bibles for our Grade 4 students.

Parent Involvement

The Ministry and Board recognize that student achievement improves when parents play an active role in their children's education and that parent engagement is a key factor in the enhancement of student well-being. The Ministry provides funding to Boards to support parent involvement activities at the district and school level through a base annual allocation as well as through specific application based grants (PRO – Parents Reaching Out).
