## Catholic Student Senate Committee

On the afternoon of October 28, the Student Senate met once again with a densely packed agenda. Senators came to the table with innovative and creative ideas for the various initiatives the Senate is tackling this year.

The Student Senate analyzed the *Stewards of Sustainability* report released by the Ontario Student Trustees' Association, containing a series of eco-friendly recommendations to Catholic school boards across Ontario (Click [here](#) for the report).

The Senators strongly support and are advocating for all recommendations listed. They are doing their part by holding paperless meetings and deciding to build strong relationships with the eco teams in their respective schools to make grassroots change for our common home.

## All Saints CSS Gets Spooky

As spooky season approached the All Saints Student Council, they organized and facilitated a fun-filled Halloween week for the student body. The week consisted of a pumpkin carving contest, costumes and much more! The council is also in the works of planning a Rivalry week against their neighbouring school, Father Leo J. Austin CSS.

## Msgr. John Pereyma CSS Builds to Haunt

Students decorating a haunted house

It has been three weeks since Pereyma's Student Council began working on their annual haunted house. The council has come a far way, turning an idea into a reality, as they had a successful opening night. The Pereyma Student council cannot wait to start brand new projects for this school year!

## Fr. Leo J. Austin CSS Draws with Spirits

Father Leo J. Austin CSS kicked off their Halloween spirit week strong with a spooky spirit. They held a successful Halloween poster contest for all homeroom classes.

## Paul Dwyer CHS Tricks-and-Treats
